
Exciting Opportunities Ahead: New Certifications, Programs, and Connections with INIFAC!

Dear Facilitators and Enthusiasts,

Welcome to an exciting new year of facilitation excellence with INIFAC! The past year has been filled with growth and meaningful connections, and this year promises even greater opportunities for facilitators to thrive and make an impact.

New Certifications to Elevate Your Skills

We are thrilled to introduce a new certification that we believe will introduce a whole new concept in how facilitation is impacting everything about the professional world, stretching beyond from how we train to how we lead. Whether you're an experienced professional or just starting out, our new credential will create opportunities for facilitative leaders to grow and be recognized, helping them stand out in this dynamic field.

Innovative Programs for Development

This year, INIFAC is launching a series of innovative programs designed to meet the diverse needs of our facilitation community. From hands-on workshops to

virtual masterclasses, our offerings will enhance your technical skills, creativity, and confidence, equipping you to excel in any facilitation environment.

Strengthening Partnerships

We are proud to announce new partnerships with leading organizations and thought leaders in facilitation excellence. These collaborations will bring fresh perspectives, expanded resources, and exciting opportunities for our community, advancing the art and science of facilitation together.

Get Involved with INIFAC

Facilitation thrives on collaboration, and there are countless ways to engage with INIFAC this year. From contributing to our newsletters and volunteering for projects to participating in peer networks and mentorship programs, your involvement helps shape our shared success. Every voice in our community matters.

Building Connections and Support

Our global community of facilitators is at the heart of INIFAC's mission. This year, we are committed to fostering deeper connections through online forums, regional meetups, and global summits. Together, we will share ideas, celebrate successes, and navigate challenges as a united community.

As we begin this new chapter, I encourage you to explore the opportunities INIFAC offers. Embrace the new certifications, programs, and partnerships. Reach out to fellow facilitators, share your experiences, and take full advantage of what this year has in store. Your passion and commitment drive us forward, and we are honored to support your journey.

Here's to a year filled with discovery, growth, and meaningful impact. Together, let's raise the bar for facilitation excellence and make 2025 a year to remember.

Warm regards,

Diana Mastel Gurwicz
